**Case No. 2:05CR02075-14**

**CONSENT TO MODIFY CONDITIONS OF RELEASE**

I, Leonel Mendoza, have discussed with James A. Moon, Pretrial Services/Probation Officer, modification of my release as follows:

Adding the following condition: 11. Defendant shall undergo a substance abuse evaluation and participate in any recommended treatment as directed by the U.S. pretrial services officer. The modification is recommended based upon:

Mr. Mendoza's release conditions order him to submit up to 2 urine samples per month. He provided a urine sample on November 7, 2005, that tested positive for cocaine by the laboratory. Mr. Mendoza admitted using cocaine, and he is agreeable to undergoing an evaluation and entering treatment if appropriate. Mr. Mendoza does not have funds to pay for those services, and for U.S. probation funds to be used, there needs to be a condition of his release in place ordering the evaluation and treatment.

I consent to this modification of my release conditions and agree to abide by this modification.
